HOW TO ENSURE AN OPTIMAL RESULT ON YOUR WHIPPING MACHINE

Achieve a smooth operation with optimal results by having your certified Frontmatec service specialist perform a scheduled service where they verify that each clutch and whip is in optimal condition ensuring you best price for meat.

Maintain high performance with prolonged life-time and low maintenance by ensuring the highest possible protection of the shafts with the help of your service specialist, who will ensure that the bearings are at their optimal condition.

Stay prepared for the unexpected by stocking critical spare parts for daily operation, such as whips, gears, bearings and a spare shaft.
