

## SERVICE SOLUTIONS // STUNNING BOX UPGRADE

# UPGRADE OF YOUR STUNNING BOX

Constant flow and minimized stress to the animal is fundamental to ensure a smooth operation and achieve best price for meat.

To achieve even more value from your stunning box, you can benefit from our modification program by installing an extension which can easily be fitted to your existing system.

The modification of the stunning box provides you with the possibility of stunning calves under 250 kg, ensuring a smooth operation with highest possible animal welfare for optimal meat quality.

Maximize your up-time by stocking the most used spare parts such as hydraulic cylinders, hydraulic valves, hydraulic tubes.

The recommended service for maximum operation efficiency is min. 1 service a year.

## Value for you!

- Yield improvement
- One box - multiple usage
- Designed to minimize stress to the animal
